

# Instructions for Free Code Camp

Go to freecodecamp.org and create an account. Then select the basic HTML 5 dropdown menu.

Click on “Introduction to basic HTML and HTML 5” and scroll to the bottom of the page and click “Go to first lesson. Read the instructions on the left and complete the steps. I would like for you to finish at least 50% of the Items under Basic HTML & HTML 5 by Friday. This should take 30 minutes to an hour total.

Classwork for AMC Robotics x Learn to code at home | freeC x Untitled document - Google D x +
